

Week 2

It's Just A Phase

Conversation Starter

Tell about a time when as a child or a teenager an adult came into your life and it changed your future.

Discussion Questions

- Read Psalm 90:12. "When you see how much time you have left, you tend to get serious about the time you have now." Give an example of how this is true in parenting. In living for Jesus?
- Some of the most significant gifts we can give the next generation is what we give them over time. What are some of these gifts we can give our children? What are some of these gifts we can give when we disciple new believers in Jesus?
- Love over time is the best way to show children they matter? What are some ways you have loved your children over time? If this is true for our children, is it also true for our neighbors? Our co-workers? The lost and hurting? How?
- Words over time become a collection of messages that impact someone's direction. What words, over time, have changed the direction of your life? Can this same principle be applied to the Word of God in our lives? How?

Pray

What one thing can you focus on this week to begin to make a difference in your child's life? If you don't have children, what can you focus on this to begin to make a difference in someone else's life?
